Enter any of the following sample Student IDs:

<u>Name</u>	<u>ID #</u>	<u>SS #</u>	<u>Birth Date</u>
Jane Doe	12345	1234	04121993
Sam Smith	23456	2345	12121992
Sara Jones	23459	2244	01011991

Click **Get Balance** to see that student's balance.

From the balance display screen the following actions may be performed:

- Click **View Recent Purchases** to open a window displaying recent purchases on the account.
- Click **Search Another** to return to the main entry screen and find another student.
- Click **View Cart** to view deposits made in the current session in the shopping cart.
- Enter an amount in the **Deposit Amount** field (*optionally* – specify a deposit type in the drop-down list) and click **Add to Cart** to deposit money for that student.

From the view cart display screen (reached by pressing **View Cart** or **Add to Cart**) the following actions may be performed:

- Click **Search Another** to return to the main entry screen and find another student.
- Click **Empty Cart** to remove all deposits from the shopping cart.
- Click **Check Out** to begin processing of credit card data from secure site. (Demo version is not live with transaction processing gateway. Live version collects credit card data on another screen.)

When finished, click **Log Out [Close Browser]** link (or manually close browser) to disconnect from **Lunch Money Now** session. (Shopping cart data – no credit card information – is retained in a session cookie that is removed upon closing the browser.)
